PRIORITY.

EYES ONLY SECRETARY.

Meeting with Gromyko, Ilychev present, lasted 2 hours 40 minutes. He said he would transmit documents and inform government of my remarks but this should not be taken to signify a favorable attitude. Reserving right to discuss matter further he made preliminary observations which were completely and forcefully negative. He said he had to conclude from my presentation that U.S. did not seriously wish to reach agreement at this time. Full report follows. Further meeting will be fixed by mutual agreement.
